

Price list of products and services for corporates

Part 2

We are continuously developing our services. Thus, for better orientation, our Price list is split into two parts. The first part includes currently offered products and services, while the second one mainly other consists of obsolete products and services. Both parts together form the Price list of products and services for corporates (the "Price list"). You may be using services from both parts of the Price list and thus we recommend that you always use the Price list along with the relevant Agreement, the general Business conditions of Raiffeisenbank a.s. ("GBC"), the Product conditions and Technical conditions, if applicable.

This Price list is effective as 1. 9. 2024
